- Stainless steel construction for wall mounting
- For supply and return air
- With connection socket, clamp mounting and fly screen
- Material: 304/2B stainless steel
- Available sizes in mm: 100, 125, 160, 180, 200

Description

This stainless steel External Louver Stainless Steel Bulb is equipped with gauze for protection against birds. The grille is to be mounted against the wall and is thereby suitable for both supply and exhaust of air. Included are two stainless steel screws for mounting the grille. The modern appearance of the spherical grille is not only attractive but also highly functional, it ensures that no wind or rain enters through the ventilation grille.
